Below the file list, there is a 'Previsualizar' (Preview) tab. The preview area shows a document titled 'Guión' with the following text:

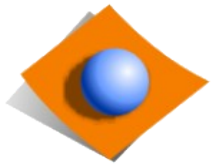

Decir:
Esta presentación dura, aproximadamente, 5 min. En ella presentaremos tanto la comunidad de usuarios OpenKM como la herramienta en si.

OpenKM es una herramienta con la que gestionar la documentación generada dentro de la empresa, mejorar su accesibilidad en todo el entorno corporativo y frenar la duplicación innecesaria de información.

Nuestra página web presenta una excelente estrategia de posicionamiento online, encontrada entre los primeros resultados de búsqueda en google por sistemas de gestión documental.

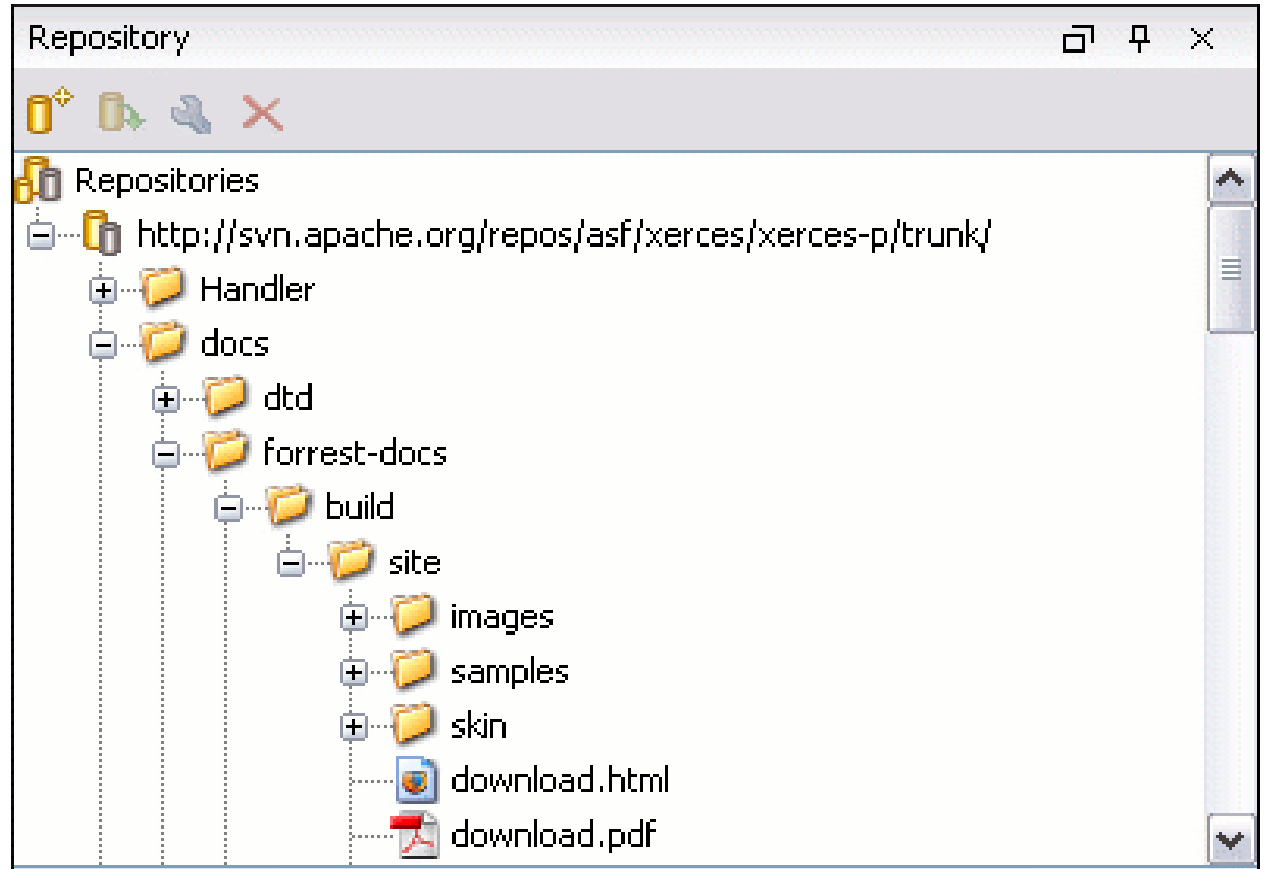

Acción: enseñar google y realizar búsqueda por "document management". Ir al enlace a la página web y entrar.

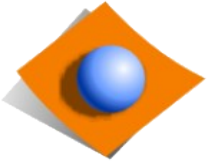

Decir:
A través de la página web, se puede no solamente obtener informaciones sobre el software como descargar
